Date of birth: 21 November 2003 **NHI number:** RRB8143

This medical information is confidential

This is an official record of your vaccination information held in the Aotearoa Immunisation Register as of 09 April 2025. Vaccines given before 2005 may not show here because vaccines were not recorded in the National Immunisation Register (NIR). Privately funded vaccines or vaccines given overseas will not show unless you have asked your healthcare provider to add them.
