Jaylee Laing Work Reference

To Whom It May Concern,

Jaylee Laing became part of our team at Nara Martinborough in January 2025, taking on the role of Senior Front of House Assistant. Right from the beginning, she proved to be an invaluable asset, equipped with a diverse skill set and a proactive mindset. Her exceptional ability to engage with customers left a lasting positive impression on our team.

Her departure was genuinely felt, as she was a treasured member of our team.

I would gladly welcome her back to Nara.

Regards
